

iPad, iPhone & Apple TV Installation Guide

1. Go to the APP Store, search for "**Startup Show**" and install it.

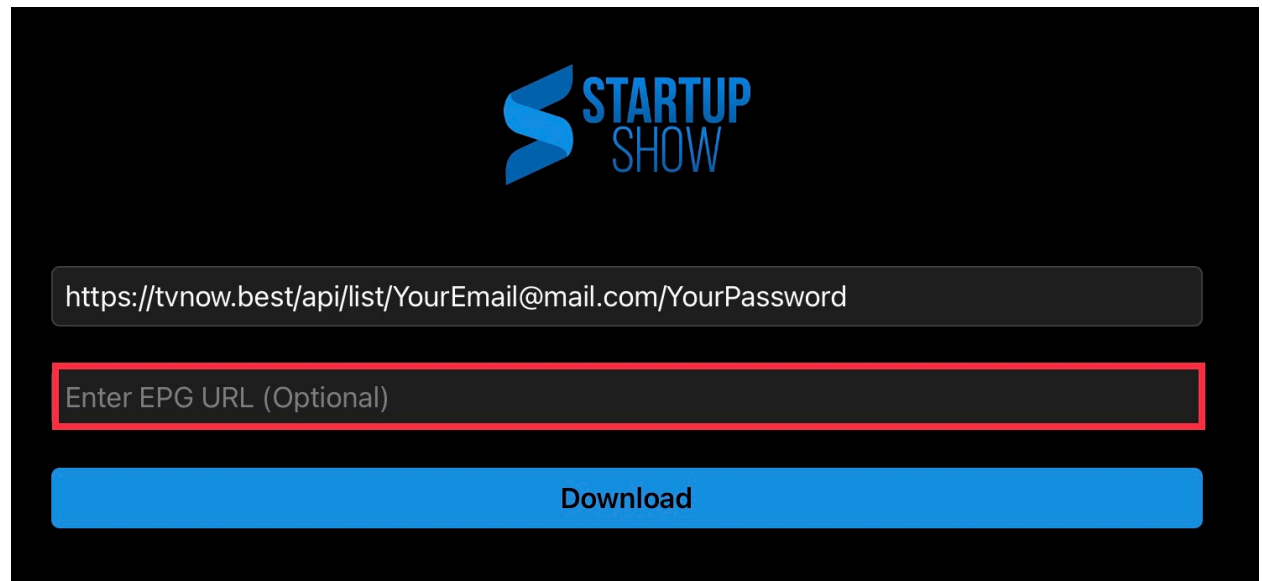

2. Once installed Open the app.

3. In the top box labeled “**Enter M3U URL**”, Type in the M3U URL that was sent to your Email. **The Link is case sensitive.**

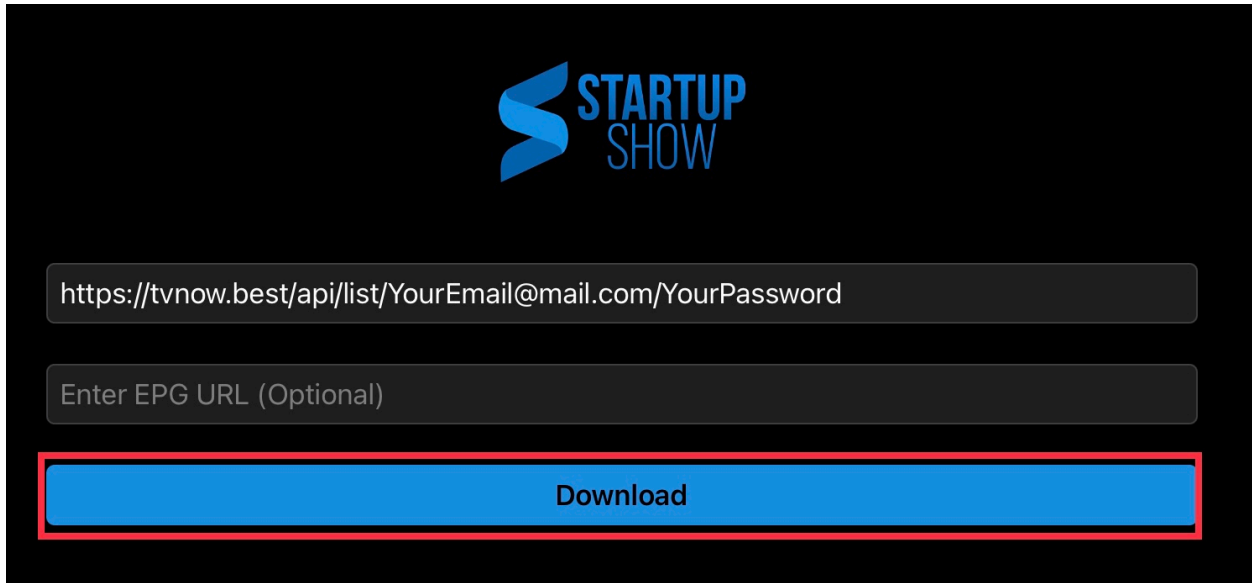

The screenshot shows the Startup Show logo at the top center. Below it, there are two input fields and a button. The top input field contains the URL `https://tvnow.best/api/list/YourEmail@mail.com/YourPassword` and is highlighted with a red border. The bottom input field is labeled "Enter EPG URL (Optional)" and is currently blank. Below the input fields is a blue button labeled "Download".

4. Leave the bottom box labeled “**Enter EPG URL**” blank.

The screenshot shows the Startup Show logo at the top center. Below it, there are two input fields and a button. The top input field contains the URL `https://tvnow.best/api/list/YourEmail@mail.com/YourPassword`. The bottom input field is labeled "Enter EPG URL (Optional)" and is highlighted with a red border. Below the input fields is a blue button labeled "Download".

5. Select **“Download”**

The screenshot shows a dark-themed interface for 'STARTUP SHOW'. At the top center is the logo, which consists of a blue stylized 'S' icon followed by the text 'STARTUP SHOW' in a light blue, sans-serif font. Below the logo are two input fields. The first field contains the URL 'https://tvnow.best/api/list/YourEmail@mail.com/YourPassword'. The second field is empty and contains the placeholder text 'Enter EPG URL (Optional)'. At the bottom of the form is a prominent blue button with the text 'Download' in white. This button is highlighted with a thick red border.

Enjoy!
